## Director Message

Greetings! 'We feel highly privileged in welcoming one and all to join the most vibrant and committed learning community. It is our deepest desire to serve the society by molding the technocrats and business leaders of tomorrow.

Devbhumi International Skill Development Institute (DBISDI) has emerged as one of the premier educational organizations in the country and the best possible educational experience for every student. We have endeavored to create a world-class educational institution with modern facilities of technological education that is complete in every way. We aim to educate, enable and empower all students to reach their full potential. Education that is thorough, purposeful and meets the requirements of today's job market; education that disciplines and inculcates values; education that is in tune with the changing dynamics of today's competitive world-that is the kind of education that we offer.

We have a well qualified, talented, dedicated, caring teaching faculty, each of whom works very hard to ensure that the abilities of the students in our care are nurtured and carefully developed. Our teachers and teaching assistants are experienced- and work as a team to make the institute so special place, every day, for the students. We have developed and implemented a number of innovative and responsive programmes, services and facilities that promote and support student learning all around both inside and outside the classroom, which lead in educating the rural youth in remote areas as well as the urbanized ones with an objective of providing high quality education making it accessible to all sort of 'People & Regions at affordable, costs.

We look forward to have you on its board for creating a more empowered world and would also like to take an opportunity to thank all of our Stakeholders - Training Centre, Management, Faculty, Students, Supporters and Well Wisher - for their interest and participation in this mission.

Then, take your career dreams come true to the next level-with Devbhumi International Skill Development Institute (DBISDI).

With you all the best.

Managing Director  
(Dr. Kuldeep Singh)

## About DBISDI

Devbhumi International Skill Development Institute (DBISDI) is an autonomous organization, Established Under Government of India, Ministry of Corporate Affairs CIN : U85500HP2025PTC011527. An ISO 9001:2015 Certified India's Most Demanding Education and Technology Organization. DBISDI accredited under Universities for Provide Courses of Diploma, Degree under University Grants Commission (UGC) & All India Council for Technical Education (AICTE).

Devbhumi International Skill Development Institute (DBISDI), welcomes you to the world of Professional Skill Development Courses, which provides the Competence ability to you in the different fields. If you are a Graduate, Diploma holder or educated person in any stream, knowledge of Skill Education assure your future. DBISDI is the reputed institution guides you to accomplish your career very successfully with the support of many NGO's and well instituted Government Supported Organizations in India. Besides of that, World Association for Online Education supports our institution for web based learning. We invite all to share our vision, goal and purpose to join hands in our effort to build a new cadre of technical professionals, who will accelerate the growth in the new digital era.

We wish our students great success in all their endeavors and guest for a better tomorrow, for themselves and for the mankind.

## The Vision of DBISDI

Our VISION is to impart the necessary awareness, for the need and importance of Education, Skill Education and IT literacy of children and youth, for their academic excellence, poverty alleviation and inculcating nation building. Providing and facilitating this education and ensuring its maximum reaches and penetration in the economically and socially backward sectors with a special intension on empowerment of women. We are profoundly focused to create an advanced centre of professional learning of international standards where knowledge and excellence shall be relentlessly pursued, unfettered by any barriers.

## OUR MISSION:

To develop competencies of students with good value system to face challenges of the continuously changing world.

To be an Institution of recognition and improve quality of life of the social fabric by nurturing talent.

Imparting quality technical education of international standard and imbibing skill for solving real life problems.

Encouraging and supporting creative abilities and research temperament.

To promote IT Literacy among the weaker sections including minorities, socially deprived sections and Impetus to women education.

Fostering spirit of entrepreneurship and realization of societal responsibilities.

## THE TIME OF VALUE

To realize the value of one year,  
Ask a student who has failed in his Exams.

To realize the value of one month,  
Ask a mother who has given birth in a premature baby.

To realize the value of one week,  
Ask the editor of a weekly.

To realize the value of one day,  
Ask a daily wage labour.

To realize the value of one hour,  
Ask the lovers who eagerly wait to meet.

To realize the value of one minute,  
As the person who has missed the train.

To realize the value of one second,  
Ask the person who has survived an accident.

To realize the value of one mile second,  
Ask the person who has missed Gold Medal in the Olympic.
